HOMEPAGE

Shivane Augustus

Entrepreneur | Director | Angel Investor

Building brands, businesses and journeys across Canada and Sri Lanka.

ABOUT

Shivane Augustus (Theverapperuma) is a Toronto based entrepreneur and director with an active portfolio across media, hospitality, travel and marketing. He currently serves as Director of Creative Touch Media Inc. and Premium Global Expeditions Inc. in Canada, and holds marketing leadership roles with Lake Villas Premium in Kandy, Sri Lanka, and Hershley Group Pvt Ltd. Alongside his operating roles, he is an active angel investor, backing early-stage businesses where his international network and marketing expertise can accelerate growth.

Born and raised in Colombo, Sri Lanka, and now based in Toronto, Canada, Shivane brings a cross-market perspective shaped by experience building brands in both the Canadian and South Asian business landscapes.

EARLY LIFE / EDUCATION

Shivane was educated at Stafford International School in Colombo 7, Sri Lanka, before relocating to Canada to continue his studies at Humber Polytechnic. He also studied at the University of London, in the United Kingdom. This international academic foundation spanning Sri Lanka, Canada, and the UK underpins the cross-border perspective he brings to every business he's involved in today.

COMPANIES

Creative Touch Media Inc. — Director

Toronto, Ontario, Canada

A creative agency specializing in real estate media, business branding, web development, and social media marketing built to turn a brand into a growth engine. Creative Touch Media works with realtors, businesses, and individuals to build a professional identity that performs.

Premium Global Expeditions Inc. — Director

Canada

A global travel company creating exceptional journeys from bespoke holidays and international tours to flights, cruises, and premium accommodations. Premium Global Expeditions brings together global reach and trusted local expertise to make every journey seamless and memorable.

CREATIVE WORK

(Secondary section — folded under the main professional identity, not the homepage focus)

Alongside his business roles, Shivane brings hands-on creative execution to his ventures of photography, videography, cinematography, graphic design, and web development. This is the same skill set behind Creative Touch Media's client work, and it shows up in his own brand-building across every company he's part of.

- Portraiture, events, real estate & product photography
- Cinematography & drone production
- Graphic & brand design
- Web development
